53 12. Through redesign and remodeling, including  
54 appropriate fixtures, furniture, and equipment, the blind vendor,

1 DHS, and DOT agree to upgrade the appearance of the respective  
2 facilities so that they present products in an uncluttered and  
3 contemporary manner. The capital expenditures relating to such  
4 improvement shall, in all cases, be agreed to in advance by the  
5 blind vendor, and DHS. Once agreed, such expenditures shall be  
6 equally shared between DHS and the blind vendor provided that the  
7 blind vendor has reported to DHS for any quarter during the  
8 immediately preceding four quarters a gross income which, if  
9 reported under this agreement, would require the blind vendor to  
10 pay rent of 2% or greater based upon the rent schedule set forth  
11 in paragraph 16(b) of this agreement. If the gross income of the  
12 blind vendor does not meet such threshold, DHS shall pay for all  
13 of the capital expenditures. If § 110 funds are available such  
14 funds shall be used first and the blind vendor and DHS shall  
15 equally share any remaining capital expenditures not paid for or  
16 reimbursed by such § 110 funds. However, if the blind vendor  
17 does not meet the gross income threshold set forth in this  
18 paragraph, then DHS shall pay for such capital expenditures and  
19 DHS may use § 110 funds as available.  
20

21 13. The blind vendor, DHS, and DOT agree to assist in  
22 the formation of and actively participate with the appropriate  
23 Neighbor Island Airport Concessionaire's Committee which shall  
24 serve as a vehicle to permit the various concessionaires to share  
25 their expertise and make recommendations to one another with the  
26 intent of having efficient, clean, eye-appealing, first class  
27 airports.  
28

29 14. From and after the times and dates outlined in  
30 Schedule 2, no vending machines shall be permitted at any  
31 Neighbor Island airport in the State of Hawaii other than those  
32 authorized by this agreement.  
33

34 a. Ho'opono, the Services to the Blind Branch of  
35 DHS, shall assume operation of all of the vending machines in all  
36 Neighbor Island Airports as identified on Exhibit "B" attached  
37 and establish, arrange to maintain and service, and supervise and  
38 manage all vending machines at all locations and places in  
39 Neighbor Island Airports other than the vending machines in the  
40 passenger terminal building(s) at such airports, and all income  
41 derived from such vending machines shall be deposited in the  
42 Randolph-Sheppard Revolving Account, Haw. Rev. Stat. § 347-12.5.  
43

44 b. If there is a blind vendor at a Neighbor  
45 Island Airport, such blind vendor shall assume operation of all  
46 of the vending machines in the passenger terminal building(s) of  
47 that airport and shall establish, arrange to maintain and  
48 service, and supervise and manage all vending machines in the  
49 passenger terminal building(s), and all income derived from such  
50 vending machines shall be retained by the blind vendor. In the  
51 event there is no blind vendor at a Neighbor Island Airport, then  
52 Ho'opono, the Services for the Blind Branch of DHS, shall assume  
53 operation and establish, arrange to maintain and service, and  
54 supervise and manage all vending machines at all locations at

1 such airports, and such income shall be paid to the Randolph-  
2 Sheppard Revolving Account, Haw. Rev. Stat. § 347-12.5.  
3

4 c. Subject to the final approval of DOT, which  
5 shall not be unreasonably withheld, the parties hereto agree to  
6 locate and establish as many vending machines as possible at all  
7 locations at all Neighbor Island Airports including the passenger  
8 terminal building(s) consistent with DHS' judgement, after  
9 consultation with DOT, the Committee, and the blind vendor,  
10 appropriate to meet the needs of the traveling public, the  
11 requirements of others at the airport, and aesthetics. All  
12 parties hereto agree to identify new locations wherever possible  
13 and to expand number and type of vending machines. DHS, DOT, the  
14 Committee, and the blind vendor shall jointly conduct detailed  
15 periodic reviews on at least a yearly basis and prepare and  
16 circulate a written report relating thereto. The Committee shall  
17 review these written reports at regularly scheduled meetings.  
18

19 d. The parties hereto agree to work through the  
20 mediation process to the extent necessary to accomplish the  
21 transition of vending machines as soon as possible but at least  
22 by the times and dates outlined in Schedule 2. DHS and DOT  
23 agree to use best efforts to accomplish the foregoing.  
24

25 15. Ota shall establish and maintain an employee  
26 vending facility composed exclusively of vending machines.  
27

28 a. The employee vending facility shall be  
29 located on the Ground Level of the Kahului Terminal Building,  
30 Building 340, as shown on Exhibit "C" attached hereto.  
31

32 b. Access to the employee vending facility shall  
33 be limited to agents or employees of DOT as well as agents or  
34 employees of airlines, lessees, concessionaires, or other  
35 permittees of DOT.  
36

37 c. A variety of food and beverages shall be  
38 stocked in vending machines and sold at reasonable prices  
39 provided that each item shall be individually prepackaged,  
40 intended for immediate consumption, prepared off-premises by  
41 other than Ota or Ota's employees, and, no gum or alcoholic  
42 beverages shall be sold.  
43

44 d. Tables, counters, booths, furniture or other  
45 facilities shall be provided for the consumption of such  
46 prepackaged food and beverages, including self-service equipment  
47 for the heating or warming of food or beverages. DOT agrees to  
48 maintain a clean area.  
49

50 e. The gross monthly vending machine receipts of  
51 the employee vending facility shall be reported by Ota as part of  
52 his gross receipts from the facility and Ota shall retain all  
53 income derived therefrom.  
54

1 f. The capital expenditures relating to the  
2 employee vending facility agreed to by Ota and DHS, such as  
3 interior improvements and equipment and initial inventory, shall  
4 be paid for or reimbursed by § 110 funds and DHS agrees to use  
5 reasonable efforts to obtain such funds. To the extent that such  
6 funds are not available, such capital expenditures shall be borne  
7 by Ota.  
8

9 16. Each blind vendor shall pay to DOT, as collection  
10 agent for DHS, within ten (10) days of the end of each month, an  
11 amount equal to the greater of the sum calculated under paragraph  
12 16 a or 16 b:  
13

14 a. One Dollar and Twenty Five Cents (\$1.25) per  
15 square foot per month for all space allocated to commercial  
16 retail sales, including vending machine use, and also including  
17 that space allocated to vending machine use and restocking and  
18 storage in the employee vending facility, and Forty Cents (\$0.40)  
19 per square foot per month for all other storage space, both as  
20 designated on Exhibit "A" ("base charge"); or  
21

22 b. A percentage of each of the blind vendor's  
23 gross monthly income from the facility plus gross monthly vending  
24 machine income to the blind vendor hereunder as reflected in the  
25 following schedule ("percentage charge"):  
26

27 0%	0 to	24,999.99
28 2%	25,000 to	49,999.99
29 4%	50,000 to	99,999.99
30 6%	100,000 to	249,999.99
31 8%	250,000 to	499,999.99
32 10%	500,000 to	1,000,000.00

33 In the event that gross monthly income from the  
34 facility plus gross monthly vending machine income to the blind  
35 vendor exceeds \$1,000,000 in any single calendar month, the  
36 parties agree to renegotiate the percentage charge that shall  
37 apply, and that in any such month the blind vendor shall pay any  
38 rent based upon 15% of such combined gross monthly income,  
39 subject to negotiation.  
40

41 c. If the monthly rent amount to be paid by the  
42 blind vendor to DOT, as collection agent for DHS, is based on the  
43 percentage charge, the percentage charge shall be based upon the  
44 full amount of the gross monthly income from the facility, plus  
45 the gross monthly vending machine income (not just the amount  
46 within a given bracket) as illustrated in the following example:  
47 if the blind vendor's gross monthly income from the facility plus  
48 gross monthly vending machine income to the blind vendor were  
49 \$65,000.00, the amount to be paid would be \$2,600.00 (4% of  
50 \$65,000.00).  
51

52 d. The term "gross monthly income from the  
53 facility" includes all sales proceeds received or billed from the  
54

1 sale of items at the facilities, including the employee vending  
2 facility, the total amount of all monies paid into vending  
3 machines pursuant to paragraph e hereof, but excludes all sales  
4 or gross excise taxes; receipts from the sale of waste; receipts  
5 in the form of refunds from or the value of merchandise or  
6 supplies returned from shippers, suppliers, or manufactures; the  
7 amount of any cash or quantity discounts received from sellers,  
8 suppliers, or manufacturers; the amounts of any gratuities paid  
9 or given by patrons or customers; and any discounts given to  
10 airport employees and other persons.  
11

12 e. The term "gross monthly vending machine  
13 income", for the first twelve months of this agreement, shall  
14 mean the gross amount of commissions paid by a third party to the  
15 blind vendor based upon the stocking, maintenance and service of  
16 the vending machines by such third party, or the gross amount of  
17 income generated by the vending machines if such machines are  
18 stocked, maintained and serviced directly by the blind vendor.  
19 Thereafter, the term "gross monthly vending machine income" shall  
20 mean the total amount of monies collected from the machine coin  
21 or cash box.  
22

23 f. Both the base charge and the percentage  
24 charge to be paid by the blind vendor to DHS shall be  
25 renegotiated every ten (10) years. It is the intent of all  
26 parties to prohibit the use of this renegotiation clause to make  
27 rent increases prohibitive for the blind vendor's future  
28 operations; however, subject to the foregoing, the usual business  
29 principles for rent renegotiation shall apply and where possible,  
30 it is the intent of the parties to maintain the rent structure  
31 with elements of base rent and percentage rent such as set forth  
32 in paragraphs 16 a and 16 b herein.  
33

34 17. The blind vendor shall pay utility charges for the  
35 electricity consumed by the facility provided that such usage is  
36 separately metered, or reasonable estimated utility charges for  
37 vending machines are established and agreed upon by the blind  
38 vendor and DOT.  
39

40 18. All parties agree that:  
41

42 a. The facility shall be used, maintained and  
43 operated in compliance with all requirements imposed pursuant to  
44 49 CFR, Department of Transportation, Subtitle A, Office of the  
45 Secretary, Part 21, Nondiscrimination in federally-assisted  
46 programs of the Department of Transportation, Effectuation of  
47 Title VI of the Civil Rights Act of 1964, and all other  
48 applicable anti-discrimination laws.  
49

50 b. In hiring employees for the facility, the  
51 blind vendor shall give preference to qualified blind candidates  
52 for employment, and the blind vendor shall use reasonable efforts  
53 in coordination with DHS in recruiting such candidates for  
54 employment. If no qualified blind candidates for employment can

1 be found, the blind vendor agrees to give preference to visually  
2 handicapped persons, and the blind vendor shall use reasonable  
3 efforts in coordination with DHS in recruiting such candidates  
4 for employment. If no qualified blind or visually handicapped  
5 candidates for employment can be found, the blind vendor agrees  
6 to give preference to qualified disabled persons, and the blind  
7 vendor shall use reasonable efforts in coordination with DHS in  
8 recruiting such candidates for employment. If no qualified  
9 blind, visually handicapped, or disabled candidates for  
10 employment can be found, the blind vendor may hire any candidate  
11 for employment without regard to this paragraph. As used in the  
12 paragraph, "blind" and "visually handicapped" shall have the  
13 meaning ascribed to them by Haw. Rev. Stat. §§ 235-1, 347-1,  
14 respectively. As used in the paragraph, the term "disabled"  
15 shall have the same meaning as ascribed to the term "handicapped  
16 status" in Haw. Rev. Stat. § 489-2.

17  
18 c. DHS and the other parties shall cooperate and  
19 vigorously pursue § 110 funds to upgrade existing vending  
20 facilities and establish new ones; to upgrade the facilities at  
21 Neighbor Island Airports; and, to implement and monitor  
22 compliance with the terms and provisions of this agreement,  
23 unless otherwise agreed by all parties.

24  
25 19. a. This agreement marks a turning point in  
26 relations between the parties. Beginning with the filing of  
27 Hawaii Blind Vendors Association, et al. v. DHS, et al., Haw. 1st  
28 Cir. Civ. No. 81236 (filed Jan. 23, 1984), remanded for agency  
29 adjudication, 71 Haw. 367, 791 P.2d 1261 (1990), ("HBVA  
30 litigation"), and followed by the civil action and agency action  
31 preceeding the civil action, relations between the parties to  
32 this agreement have been adversarial. In connection with this  
33 adversarial relationship, the blind vendors, the Committee, the  
34 Association, and others on their behalf not parties hereto, have  
35 incurred attorneys' fees in the amount of \$189,094.64 pursuing  
36 their claims. Claims have been asserted by the blind vendors,  
37 the Committee, the Association, and others that pursuant to 42  
38 U.S.C. § 1988, and other authority, they are entitled to recoup  
39 these attorneys' fees and costs from the State of Hawaii or its  
40 officers.

41  
42 b. In addition, in pursuing the mediation  
43 process culminating in this agreement, the blind vendors, the  
44 Committee, and the Association, or some of them have incurred  
45 fees to their attorneys for the attorneys' professional work  
46 consulting and advising the blind vendors, the Association and  
47 the Committee about their options and otherwise participating in  
48 the mediation process. The blind vendors, the Committee, and the  
49 Association also assert that they may be compensated for their  
50 attorneys' fees or their professional consultants' or advisors'  
51 fees pursuant to the Rehabilitation Act, 29 U.S.C. §§ 700, et  
52 seq., and agency instructions interpreting that Act, including  
53 the United States Department of Education's RSA-PI-77-27, as well  
54 as pursuant to circulars of the Office of Management and Budget,

5 CFR § 1310.1 (1991) including Federal Management Circular 74-4 (reissued as Circular A-87), reprinted at 46 Fed. Reg. 9548-01, et seq., by analogy to Executive Order 12778 (Oct. 23, 1991), reprinted at 56 Fed. Reg. 55195, et seq., and pursuant to the policy of Ho'opono, the Services for the Blind Branch of DHS. Up to and including February 29, 1992, the fees incurred by the blind vendors, the Committee and the Association for their attorneys' professional work consulting and advising the blind vendors, the Association and the Committee in the mediation process total \$104,327.25.

c. In the face of these claims of the blind vendors, the Association, the Committee, and others on their behalf not parties hereto, and without any admission on the part of DHS, DOT or the State of Hawaii regarding any entitlement to such claims, the parties agree as follows:

i. The civil action will be dismissed with prejudice, with the exception of those claims relating to attorneys' fees and professional consultants' and advisors' fees as set forth below and the appointment of a master set forth in paragraph 20 c below.

ii. The attorneys for the blind vendors, including Ota, the Committee, and the Association have previously submitted detailed documentation to DHS and DOT of attorneys' services rendered in the civil action and in the HBVA litigation, and such fees and costs are approved as reasonable in the amount of \$75,000 for work performed and costs incurred in this matter prior to March 1, 1992.

iii. The attorneys for the blind vendors, including Ota, and the Committee and the Association, have provided professional consultation and advice to the blind vendors, including Ota, the Committee and the Association in the mediation process, and in full evidentiary hearings that preceded the mediation process, and have previously submitted detailed documentation to DHS and DOT supporting such fees. Such fees and costs are approved as reasonable in the amount of \$95,000 for services rendered in this matter prior to March 1, 1992.

iv. The Attorney General of the State of Hawaii will submit a claim for \$75,000 for the blind vendors', the Association's, and the Committee's attorneys' fees and costs to the Hawaii State Legislature for payment. DHS and DOT agree to execute a Stipulated Judgment and Order to be submitted to the Circuit Court of the First Circuit for approval and filing in the civil action in that amount. The judgment and claim for attorney's fees and costs shall bear interest in accordance with Haw. Rev. Stat. § 662-8. DHS, DOT, and the Department of the Attorney General, State of Hawaii agree to exercise diligent and best efforts to obtain legislative appropriation to pay the full amount of such attorneys' fees and costs and agree to faithfully promote and fully support such undertaking. In the event that

1 any part of the \$75,000 plus interest remains unpaid as of  
2 November 1, 1992, all parties shall return to mediation to  
3 expedite payment.

4  
5 v. DHS shall pay \$95,000 of such  
6 professional consultants' and advisors' fees and costs from \$ 110  
7 funds for FY 1991 currently held by the State of Hawaii  
8 exclusively for the purposes of this agreement promptly upon the  
9 execution of this agreement.

10  
11 vi. In consideration of the payment of the  
12 amounts set forth above, all claims for attorneys' fees, or  
13 professional consultants' or advisors' fees incurred prior to  
14 March 1, 1992 against DHS, DOT and the State of Hawaii and its  
15 officers and employees in connection with the mediation process,  
16 the civil action, and the HBVA litigation, including the original  
17 HBVA civil action in the trial court and on appeal, and agency  
18 proceedings on remand, are forever waived and released. The  
19 Committee, the Association, the blind vendors and their counsel  
20 hereby warrant that they have authority to waive and release such  
21 fee claims for the parties in the HBVA litigation. The foregoing  
22 waiver and release shall remain in place even if the State  
23 materially breaches this agreement or subsequently terminates  
24 Honolulu International Airport mediation.

25  
26 20. a. All parties agree that there will be  
27 substantial time and effort expended and cost incurred relating  
28 to the implementation, monitoring of and compliance with this  
29 agreement. The parties will continue the appointment of Dee Dee  
30 Letts and David L. Fairbanks as mediators because extraordinary  
31 administrative and monitoring problems exist with respect to this  
32 agreement.

33  
34 b. Subject to the foregoing, the parties shall  
35 have at their disposal to ensure implementation of this  
36 agreement, the existing sum of approximately \$230,311.69, less  
37 the amount of the fees and costs to be paid to mediation advisors  
38 and consultants for Ota, the Committee and the Association upon  
39 the execution of this agreement, and other \$ 110 funds, if  
40 available. These funds shall be held by the State of Hawaii, and  
41 upon his appointment, by the master provided for in paragraph 20  
42 c, exclusively for the purposes of this agreement and used by the  
43 parties for the purposes described in this agreement, including  
44 the payment of reasonable costs and fees for implementation,  
45 monitoring of and compliance with this agreement to the  
46 professional consultants and advisors for the blind vendors,  
47 including Ota, the Committee and the Association. If the parties  
48 are unable to agree as to the amount of reasonable compensation,  
49 the mediators shall make recommendations to the parties.

50  
51 c. The judgment and order to be entered in the  
52 civil action shall include a provision for the appointment of  
53 DHS's Vocational Rehabilitation Administrator, Neil Shim, to be a  
54 court appointed master pursuant to Haw.R.Civ.P. 53(c), to serve

1 without bond and without compensation. Subject to approval of  
2 the court, Mr. Shim, as master, shall hold, in an interest-  
3 bearing account separate from the State accounting system, those  
4 \$ 110 funds that are to be expended exclusively for the purposes  
5 of this agreement. Mr. Shim's sole function as master shall be  
6 to make payments from said account, without regard to Haw. Rev.  
7 Stat. ch. 103 or other laws defining or constraining how public  
8 funds shall be spent, to pay for those services or other items  
9 described in this paragraph 20.

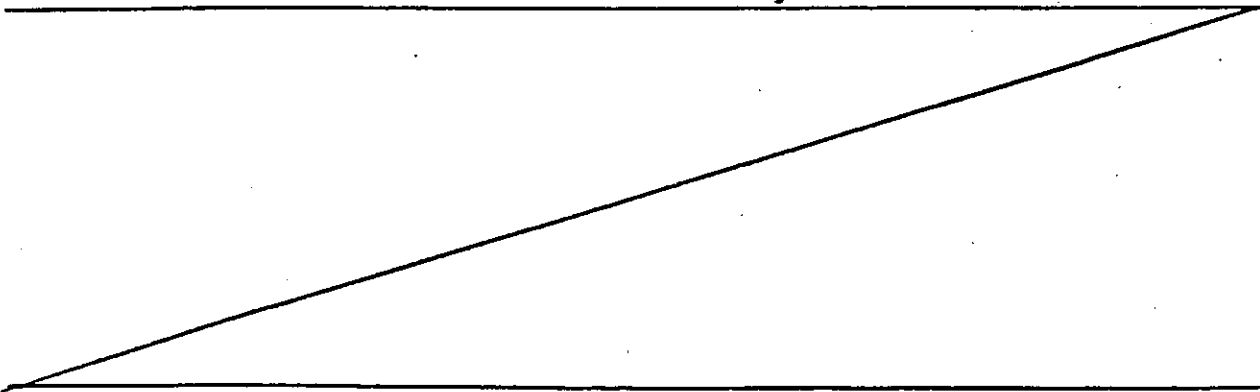

-10  
11 21. This agreement may be signed in its original form  
12 or by use of counterparts as well as through use of original  
13 signatures of the parties transmitted by telecopier and when so  
14 signed by all parties, it shall be fully effective.  
15

16 22. This agreement may be subject to the approval of  
17 the Federal Aviation Administration, pursuant to section 5, §  
18 42(a)(3) of U.S. Department of Transportation Advisory Circular  
19 150/5100-15A.  
20

21 23. The parties agree to convene meetings as  
22 appropriate, at least quarterly, or as otherwise agreed, and upon  
23 the call of any of the parties to this agreement to identify,  
24 enlarge, extend, assess, and report on the placement of new  
25 vending machines and new vending facilities within government  
26 buildings, whether existing, planned, or under construction, for  
27 the purpose of ensuring compliance with law.  
28

29 24. This agreement is a negotiated compromise and  
30 settlement agreement resulting from the mediation process. This  
31 agreement is intended by the parties to be contractual in nature.  
32 Nothing in this agreement constitutes an admission of any party,  
33 including an admission as to the application or interpretation of  
34 any law.  
35

36 25. The blind vendors, the Association, the Committee,  
37 DHS, and DOT agree that cooperation is in their mutual best  
38 interest and agree to attempt alternative dispute resolution to  
39 resolve dispute(s) arising under this agreement. Notwithstanding  
40 any provision to the contrary, if alternative dispute resolution  
41 procedures fail to resolve the dispute(s), the parties may  
42 litigate to enforce the terms of this agreement.

Exhibit "A"	July 1, 1992.
Exhibit "B"	December 31, 1992
Exhibit "C"	July 1, 1992.
Schedule 1	April 1, 1992

## EXHIBIT "A"

### I. Composition of Exhibit "A".

Exhibit "A" is intended to be an accurate representation of the retail, storage, and vending machine space occupied by each NIA blind vendor. There will be an Exhibit "A" for each of the following airports: Kahului, Kona, Hilo, and Lihue. Each will be composed of three parts: Summary, Maps, and List of Vending Machines.

#### a. Summary Section.

The Summary will provide a statement of total square footage and base monthly rent for Retail Commercial Space, Vending Machine Space, and Storage Space.

#### b. Maps Section.

The Maps Section of Exhibit "A" will contain an accurate drawing of the vending facility. The Maps Section will clearly delineate: first, a drawing of the commercial retail space; and, second, a drawing of the storage space.

#### c. List of Vending Machines Section.

Exhibit "A" will contain a list of vending machines which the blind vendor is to operate.

#### d. Changes to Vending Machine Section.

At least once a year, the DOT will meet with the State Committee of Blind Vendors and the blind vendor for each of the following airports: Kahului, Kona, Hilo, and Lihue to review and update the vending machine section of Exhibit "A".

### II. Rent Obligation.

During the period of time when Exhibit "A" is being completed, the blind vendors will pay rent on the vending facility space currently occupied by them. Rent begins on July 1, 1992 and is based upon the following estimations of square footage of retail commercial space and storage space:

## EXHIBIT "A"

Kahului Airport:

Retail Commercial Space:	380 sq. ft.
Storage Space:	200 sq. ft.
Vending Machine Space	81 sq. ft.
Employee Cafeteria Vending Machine Space	Betwn 6.7 & 53.6 sq. ft.

Kona Airport:

Retail Commercial Space:	163 sq. ft.
Storage Space:	17 sq. ft.
Vending Machine Space	66.5 sq. ft.

Hilo Airport:

Retail Commercial Space:	212 sq. ft.
Storage Space:	32 sq. ft.
Vending Machine Space	97.1 sq. ft.

Lihue Airport:

Retail Commercial Space:	1,270 sq. ft.
Storage Space:	221 sq. ft.
Vending Machine Space	6.7 sq. ft.

The rent obligation beginning on July 1, 1992 does not include any vending machine space or utility charges relating to vending machines; rather, the obligation for rent and utility charges relating to vending machines begins at the time the blind vendors begin to receive income from the vending machines, but not earlier than July 1, 1992.

When Exhibit "A" is in its final form, the rent obligation for the retail and commercial space occupied by the blind vendor will be determined with mathematical precision and appropriate adjustments will be made by the parties based upon the rent earlier paid according to estimations of square footage. Likewise, the twelve month hiatus on "gross monthly vending machine income" as set forth in paragraph 16.d. of the Settlement Agreement will begin when Exhibit "A" is in its final form.
